Can I come to the University?
Answer these five questions before you come to the University to teach, learn, study or work.

1. Do you have any coronavirus symptoms? *Runny nose, coughing, sneezing, loss of sense of smell/taste, shortness of breath, fever*
   - Yes: Stay at home until you have the results.
     - Tested positive?
       - Yes: You should self-quarantine, and get tested as soon as possible.
       - No: Go to question 2.
     - No: Do you have a fever and/or shortness of breath? Your housemates must stay home too.
   - No: Book a test with the Municipal Public Health Service (GGD). Stay at home until you have the results.

2. Does a housemate have corona?
   - Yes: You should self-quarantine, and get tested as soon as possible.
   - No: Book a test with the Municipal Public Health Service (GGD). Stay at home until you have the results.

3. Does a housemate have severe coronavirus symptoms? *E.g. fever or shortness of breath*
   - Yes: Your housemate must book a test with the GGD, as should any other member of the household who develops symptoms.
     - Yes: All members of the household must stay at home until your housemate has their test results.
   - No: Book a test with the Municipal Public Health Service (GGD). Stay at home until you have the results.

4. Have you been in close contact with someone who has corona?
   - Yes: You should self-quarantine, and get tested as soon as possible.
   - No: Book a test with the Municipal Public Health Service (GGD). Stay at home until you have the results.

5. Have you recently returned from a country with an orange or red travel advisory?
   - Yes: Check the website of the Dutch government for the quarantine rules upon arrival.
   - No: Book a test with the Municipal Public Health Service (GGD). Stay at home until you have the results.

You are welcome to come to the University!
Only come in for scheduled teaching, reserved study spaces or work (with your manager's permission).
Keep to the Campus Protocol, and follow the signs in the buildings.

Tip: Take a self-test twice a week, at least on the days when you come to the University. You can order self-tests via zelftestonderwijs.nl. Talk to your manager/study adviser if you (or a housemate) belong to a high-risk group and are concerned about coming to the campus.

What to do if you test positive
If you have corona, you and your household must quarantine at home – as do your close contacts. The GGD will provide further information.

Work and study at home
- Staff member? Inform your manager.
- Student? Inform your lecturer and/or study adviser.
- For the quarantine rules, see government.nl. You are welcome back at the University in 10 days' time.*

*Latest information
The rules set by government and the National Institute for Public Health and the Environment (RIVM) change frequently. Always check government.nl and RIVM.nl/en and follow the University's corona updates.
