

Dear Publisher

My co-authors and I have transferred the copyrights of the article entitled [insert title] published in [insert journal title, year, volume, page] to [insert name publisher]

The above mentioned manuscript is a part of my PhD thesis. I request your permission to authorize Leiden University, in the Netherlands, to digitally distribute my thesis for non-commercial purposes only through their institutional repository. Reference to the original publication is given in the thesis.

Hoping for a positive answer:
